

2015 Sponsorship Opportunities with the Revolve Community Bike Shops

Thank you for considering sponsorship of the work of our nonprofit bike shops to get people on bikes. The Revolve Earn-a-Bike Program is just the ticket to help riders enjoy the health and transportation benefits of bicycling, and we are thrilled your company wants to be a part of it! Here's how it works: Earn-a-Bike Program Participants invest their time to learn bike safety in order to earn the bikes that the community donates and that we refurbish. We have taken the fear and affordability factors out of riding bikes for **662 Participants**. We can do more with your help. Your sponsorship keeps bikes out of the landfill and gets them under the legs of those who want them for fun, fitness, and for transportation!
